Procedures for Documentation of Disability - Students with a disability are required to contact the Disabilities Coordinator at 719-384-6862, in the first two weeks of the semester if they need assistance. The director will evaluate the documentation of a disability, facilitate reasonable and appropriate accommodations, and monitor academic progress.

It is the responsibility of the student to supply adequate documentation of disability and bear the cost of provision of such documentation. When documentation is received, the student and director determine reasonable and appropriate accommodations and details for permission to conference. Instructors in each of the student's classes are then notified of necessary accommodations.
