		Total

Remedial courses (courses below 100 level) do not count toward this degree

Revised 9-10

*Each 4 year college in Colorado has their own prescribed list of "electives" for those students that are seeking an Elementary Education degree. Check with your advisor for this list of courses. OJC will use applicable elective credit (19 credit hours) outside of the required courses (41 credits) to graduate the student from OJC.

*A grade of B- or higher must be earned in English Composition I (ENG 121). This is a standard teacher education admission standard in Colorado.
